“The Basque Country and Navarre are treasures that are as yet only partially uncovered” – discover them properly with expert author Murray Stewart

- Learn some tips for speaking Euskara, the Basque language – you need to master that ‘tx’ sound!
- Find your way along the Camino de Santiago, and join the thousands who make the pilgrimage each year.
- Discover that most Basque of mindsets – not ‘Where shall we go?’ but ‘What shall we eat when we get there?’.

Murray Stewart said this of writing the new edition: “It was a pleasure to write this book, to uncover some of the area’s mysteries, yet knowing that others remain unresolved, perhaps forever. My exhortation is simple: do what the locals do, and you are bound to be smitten by the Basque Country and Navarre.”
