Kyrgyzstan is a country of dramatic landscapes and adventurous activities – let Laurence Mitchell guide you around its best bits.

- Discover the best places to spend a night in a traditional Kyrgyz yurt – a must-do experience on any trip to the country.
- Take a dip in the tranquil waters of Lake Issyk-Kul, Kyrgyzstan’s most popular alpine lake.
- Explore the delights of the Silk Road with a trip to Tash Rabat.

Here’s what Laurence had to say about why there has never been a better time to visit Kyrgyzstan: “Travel to and within Kyrgyzstan has become a little easier over recent years, not that it was ever problematic, and now that there is a visa-free regime and relatively inexpensive daily flights from Europe, there has never been a better time to come and see this beautiful country. For all those who come and see, *Ak-Jol!*”
