

## ADVANCE BOOK INFORMATION

# Azores

**Author: David Sayers & Murray Stewart**

**September 2019 7th edition**

Bradt's Azores is the only comprehensive guidebook to this nine-island archipelago, one of the best places in the world for whale watching. Thanks to the experience of expert botanist David Sayers, and the ongoing involvement of author Murray Stewart, the book retains a depth of knowledge about flora and fauna. This new edition has been thoroughly updated and includes an expanded focus taking in the land- and sea-based activities which are now a significant part of Azores attractions.
