

## ADVANCE BOOK INFORMATION

# Estonia

**Author: Neil Taylor with Juhan-Markus Laats**  
**September 2021 8th Edition**

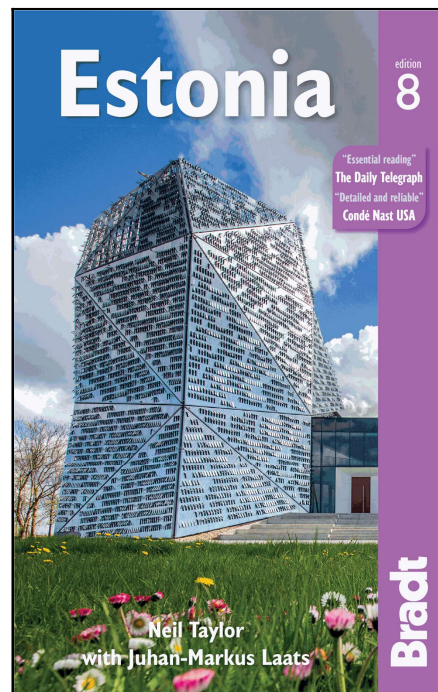

Now in its 8th edition, the Bradt Guide is the only one dedicated to Estonia, which elsewhere is unfairly relegated to a chapter in a general 'Baltics' book. Neil Taylor is married to an Estonian and spends several months of each year there. He has been awarded the British Guild of Travel Writers' Lifetime Achievement Award and the President of Estonia's Medal for services to tourism. His book is the perfect introduction to a country which, thanks to wide open spaces and excellent health care, has escaped the worst of Covid-19 and is ready to welcome visitors again.
