

NORTHERN SPAIN

DANA FACAROS & MICHAEL PAULS

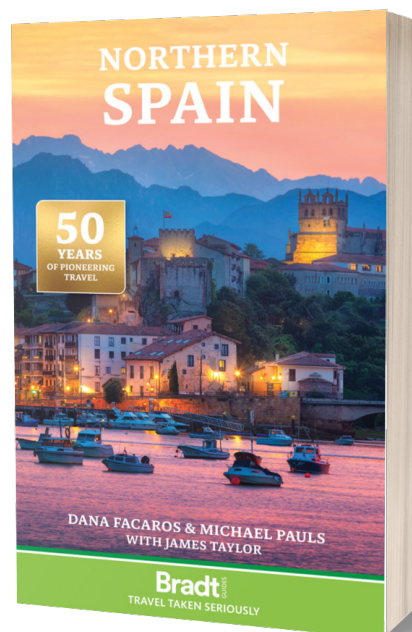

New from Bradt is *Northern Spain*, the most detailed guidebook available to a unique, compelling part of Iberia – a deep dive into a hitherto under-rated region. Incisive context covers modern history and environmental, social and economic issues, enabling the reader to take well-informed decisions about how best to experience a region extending from Galicia, in Spain's far northwest, east through the Basque Country to Navarra.

KEY SALES POINTS

- Offers far greater detail than existing guidebooks
- Excellent destination for slow travel, exploring natural landscapes and enjoying local food and drink – all current market trends
- As heatwaves make Mediterranean Spain unbearable in summer, travellers are expected to turn to 'Green Spain'
- High-speed train network will connect northern Spain's cities in 2027
