

# MAURITANIA

**Sean Connolly**

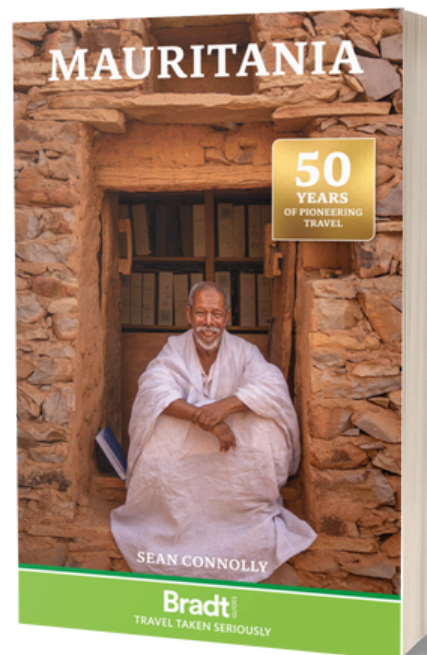

Brand new from Bradt is the first English-language guidebook dedicated to Mauritania, one of just three countries where the Sahara Desert can be safely and freely explored. Straddling the west coast of Africa for 700km between Western Sahara and Senegal, Mauritania occupies the threshold between north and sub-Saharan Africa, but remains a world apart from either. Written by Africa expert Sean Connolly, Bradt's Mauritania is packed with background context, practical information and travel guidance for the entire country.

## KEY SALES POINTS

- The first standalone, English-language guide to Mauritania
