

MADAGASCAR

Daniel Austin & Hilary Bradt

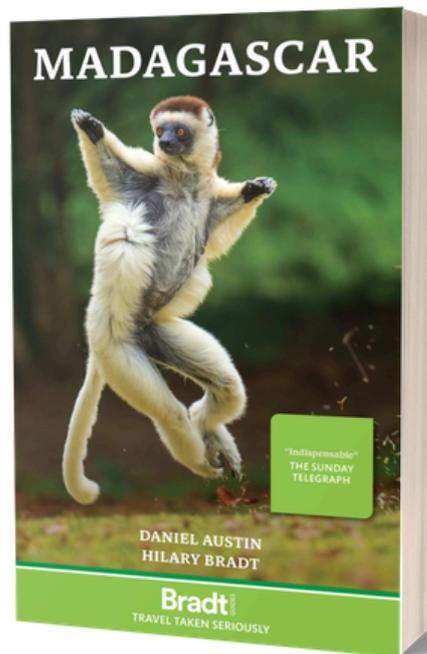

This thoroughly updated 14th edition of Bradt's Madagascar remains the leading and by far the most detailed guide to this unique African island nation – a place like nowhere else on Earth. The world's oldest – and fourth-largest – island, Madagascar is not only an incredible biodiversity hotspot, with four-fifths of its species occurring in no other country, but is also culturally, linguistically, historically and geologically fascinating.

KEY SALES POINTS

- Has been the leading and most detailed guide to Madagascar for three decades
- Written by established experts with 65 visits collectively across 50 years
- Strong focus on nature reflects anglophone tourism being primarily wildlife-focused
- After more than doubling in the decade to 2019, tourist numbers have bounced back from COVID faster than expected

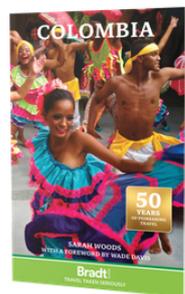

ABOUT BRADT GUIDES

- Founded in 1974, Bradt is now the largest independent guidebook publisher in the UK with over 200 titles in print
- Authentic guides, written by expert authors who really know their destinations.
- Comprehensive, practical information with a particular focus on wildlife, culture and sustainability
- For more information, follow us on X, Instagram and Facebook, or visit bradtguides.com

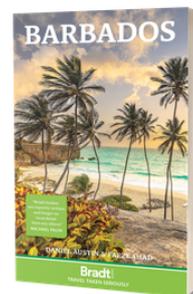

“A 'must' for any planning a visit to Madagascar!”
CALIFORNIA BOOKWATCH

“A lively, informative, amusing and sensitive account to be enjoyed from cover to cover.”
