

# MÁLAGA & COSTA DEL SOL

**James Taylor**

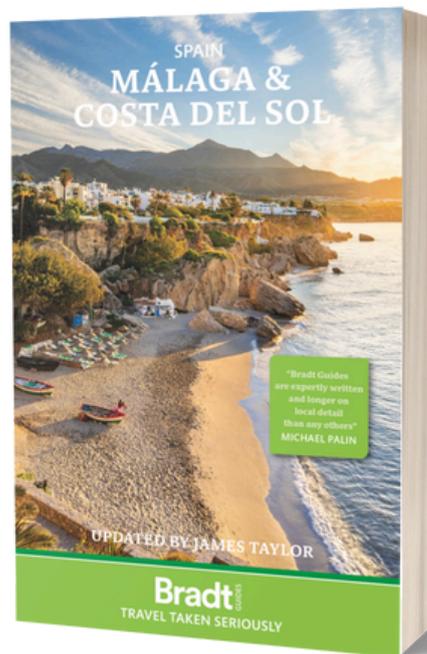

The thoroughly updated fifth edition of Málaga and Costa del Sol (previously published by Footprint) celebrates a Spanish region offering a compelling combination of rich cultural heritage and some of Europe's most dependable sunshine (300 days a year!). Stretching along the Mediterranean coast of Andalucía, this diverse region is renowned for beachfront towns, Moorish palaces, whitewashed mountain villages (pueblos blancos), gastronomy and dramatic inland sierras.
