

CAMEROON

Ben West

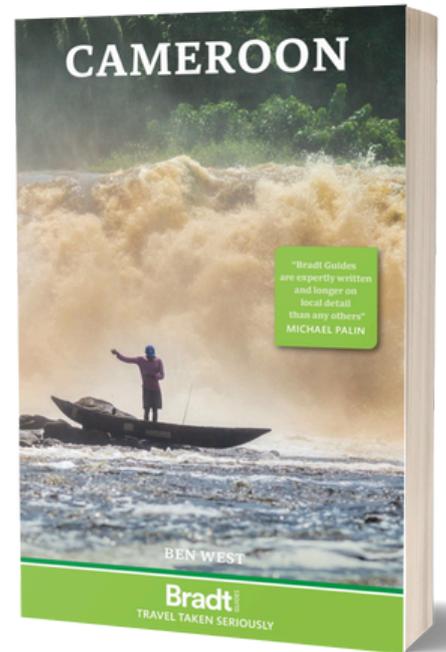

The thoroughly updated Bradt Cameroon guidebook, now in its fourth edition, remains the only standalone English-language guidebook from a major publisher to cover this hugely diverse West African country. Here 19 national parks span landscapes ranging from Mount Cameroon (West Africa’s highest peak) and lush rainforests (which offer opportunities to track lowland gorillas and chimpanzees) to the savannahs more readily associated with southern and eastern Africa.

KEY SALES POINTS

- Remains the only standalone English-language guidebook to the country from a mainstream publisher
- Provides extensive practical information
- Brilliant wildlife watching – from chimps to cheetahs – without the crowds
- Tourism (c.1.15 million international visitors in 2023) is rising steadily
- The recent introduction of eVisas has made Cameroon logistically easier to visit than previously

ABOUT BRADT GUIDES

- Founded in 1974, Bradt is now the largest independent guidebook publisher in the UK with over 200 titles in print
- Authentic guides, written by expert authors who really know their destinations.
- Comprehensive, practical information with a particular focus on wildlife, culture and sustainability
- For more information, follow us on X, Instagram and Facebook, or visit bradtguides.com

“Bradt Guides are expertly written and longer on detail than any others”
MICHAEL PALIN

“Bradt Guides have been inspiring people to travel for decades”
