

KYRGYZSTAN

Laurence Mitchell

Bradt's Kyrgyzstan remains the only English-language guide dedicated solely to this astounding country, described as 'the Switzerland of central Asia' and regarded by many as the most beautiful nation in the world. This new, thoroughly updated fifth edition extends its detailed coverage of all this little-known but easily accessible Central Asian country has to offer.

KEY SALES POINTS

- Still the only dedicated English-language guide to the country, thoroughly updated by experienced travel writers
- Kyrgyzstan's popularity is on the rise (doubling to 7 million, 2015–22), especially with travellers seeking an adventurous outdoor holiday
- Along with neighbouring Uzbekistan and Kazakhstan, Kyrgyzstan is now visa-free for almost all travellers – making a multi-country Central Asia tour increasingly popular
